

Carol L. Brandl  
2875 Porter Ridge Road  
Lincoln, NE 68516  
(402) 420-9917

Personal: Married with three grown children, and one grandchild. We have lived in Lincoln since mid January of 2004. I've been employed in the medical profession for my entire working career and working with some form of teleradiography and telemedicine since approximately 1995.

Employed by:

BryanLGH Medical Center East  
Education Services Department  
1600 South 48<sup>th</sup>  
Lincoln, NE 68506  
(402) 481-8406

Professional: Registered Radiologic Technologist currently working as the Telehealth Services Coordinator at BryanLGH Medical Center East to promote telehealth services throughout the state including education and telemedicine.

Prior to this position, I worked as the PACS administrator at Great Plains Regional Medical Center in North Platte, NE. in charge of the training, network, and overall maintenance of a wide area network with thirteen hospitals. We received radiographic images for interpretation by the radiologists at North Platte.

I have been an active member of the state Telehealth committee since it was formed and take part in several of the subcommittees of this group.

I believe that telehealth, in all forms, is important to the growth and development of the state. The services available are continuing to improve and it is exciting to be an active participant in the process.
